

Finding our office—directions for drivers

Please note: these directions take you round the back of our offices, to the car park. If you're not driving, please use our front door on Micklegate, opposite Budgens.

From the South East (A19)

Follow the A19 through Fulford and Fishergate into York city centre.

Where the road splits at the inner ring road just after passing Mecca Bingo on your left, follow the left fork over the bridge. From here, take the right-hand lane at the roundabout (just before the second bridge) onto Clifford Street. Follow the road past Clifford's Tower, then follow the sharp left before the church at top of the road which takes you over Ouse Bridge.

Take the left turn at the traffic lights, then a quick first right.

The gate to our car-park is about halfway up Fetter Lane on the right-hand side—it's just after She-Leisure/Capaldi's.

Call 01904 659465 and somebody will open the gate.

From the East (A1079)

Follow the A1079 Hull Road through Osbaldwick into York city centre until you see the old Walmgate Bar and city walls in front of you.

Turn left here to join the inner ring road and head through the first set of lights in the right-hand lane. Follow this road left and then right as you come back on yourself with the Bingo on your left.

Where the road splits, follow the left fork over the bridge. From here, take the right-hand lane at the roundabout (just before the second bridge) onto Clifford Street. Follow the road past Clifford's Tower, then follow the sharp left before the church at top of the road which takes you over Ouse Bridge.

Take the left turn at the traffic lights, then a quick first right.

The gate to our car-park is about halfway up Fetter Lane on the right-hand side—it's just after She-Leisure/Capaldi's.

Call 01904 659465 and somebody will open the gate.
